

9.00-10.30**Plenary 1****Sustainability****Moderator** Norifumi Kuratani (Japan)

Pannawit Benjhawaleemas (Thailand)

9.00 **Sustainability and the anaesthetist - pathways and opportunities**

Eugenie Kayak (Australia)

9.20 **Sustainable practices and innovative technologies for sustainability**

Michiaki Yamakage (Japan)

9.40 **Cost-benefit analysis of sustainable anesthesia**

Pannawit Benjhawaleemas (Thailand)

10.00 **Environmental impact of anesthetics**

Suparit Silarat (Thailand)

10.20 **Q&A****9.00-10.30****Plenary 2****Trauma Anesthesia****Moderator** Batgombo Natsagdorj (Mongolia)

Sumidtra Prathep (Thailand)

9.00 **Role of point-of-care ultrasound (POCUS) in trauma patients**

Kapil Gupta (USA)

9.20 **The lord of the tubes: Anesthesia's dominion in damage control**

Pierre Bradley (Australia)

9.40 **Early identification and treatment of trauma-induced coagulopathy**

Yee Eot Chee (Hong Kong)

10.00 **What's Next in trauma anesthesia?
Technology, protocols, and training**

Rajen Nathwani (USA)

10.20 **Q&A**

9.00-10.30

Hall 3

Perioperative Neurocognitive Disorders

Moderator Yu-Chang Yeh (Taiwan)

Onuma Chaiwat (Thailand)

9.00 **Perioperative neurocognitive disorders: Introduction and assessment tools**

Onuma Chaiwat (Thailand)

9.20 **Does anesthesia increase dementia risk? Current evidence and controversies**

Mingyang Sun (China)

9.40 **ICU delirium: Pathways from risk prediction to long-term impact**

Yu-Chang Yeh (Taiwan)

10.00 **The Southeast and East Asian Post-Operative Delirium (SEAPOD) Study**

Lian Kah Ti (Singapore)

10.20 **Q&A**

9.00-10.30

Hall 4

Perioperative Medicine II

Moderator Jae-Kwang Shim (South Korea)

To be announced

9.00 **PBM Updates in Intravenous Iron Therapy**

Jae-Kwang Shim (South Korea)

9.20 To be announced

9.40 To be announced

10.00 To be announced

10.20 **Q&A**

9.00-10.30

Hall 5

Medical Education: Next-level Anesthesia Training

Moderator Kasana Raksamani (Thailand)

Tanat Chotijarumanee Wong (Thailand)

9.00 **Adapting to technological advancement**

Ina Ismiarti Shariffuddin (Malaysia)

9.25 **Optimizing procedural skills training in anesthesia**

Atipong Pathanasethpong (Thailand)

9.50 **Integrating effective learning techniques into anesthesia training**

Kasana Raksamani (Thailand)

10.15 **Q&A**

9.00-10.30 (Thai Session)**Hall 6****OB Panel Discussion****Preeclampsia: Navigating the Storm in Obstetric Anesthesia****Moderator** Lisa SangKum (Thailand)

Sunthiti Morakul (Thailand)

9.00 **Latest evidence and evolving understanding of preeclampsia**

Piya Chaemsaitong (Thailand)

9.25 **Key considerations in perioperative management**

Namtip Triyasunant (Thailand)

9.50 **Best practices for fluid management in preeclamptic patients**

Sahawat Thertchanakun (Thailand)

10.15 **Q&A****11.00-12.30****Plenary 1****Geriatric Anesthesia****Moderator** Young-Tae Jeon (Korea)

Orawan Pongraweewan (Thailand)

11.00 **Optimizing perioperative care for elderly surgical patients**

Orawan Pongraweewan (Thailand)

11.20 **Pharmacologic considerations in aging**

Wan Rahiza Wan Mat (Malaysia)

11.40 **The role of brain monitoring in the elderly**

Hasmizy Muhammad (Malaysia)

12.00

Beyond emergence: Addressing postoperative delirium and long-term cognitive decline

Annop Piriypatsom (Thailand)

12.20

Q&A

11.00-12.30

Plenary 2

Transplant Anesthesia

Moderator Theerada Chandee (Thailand)

Kirada Apisutimaitri (Thailand)

11.00

Perioperative strategies to improve kidney graft function

Ornpicha Chaiyakiatkamjorn (Thailand)

11.20

Coagulopathy in liver transplant recipient: risk, monitor and management

Klaus Görlinger (Germany)

11.40

Anesthesia for post-transplant patient undergoing non-transplant surgery

Nutchanok Khampitak (Thailand)

12.00

Organ-donor care

Aphichat Suphathamwit (Thailand)

12.20

Q&A

11.00-12.30

Hall 3

Pharmacology Updates: New Drugs, New Strategies

Moderator Nuj Tantisirin (Thailand)

Sahawat Thertchanakun (Thailand)

11.00 **Ramimazolam**

Michiaki Yamakage (Japan)

11.20 **Ciprofol**

Zhu Tao (China)

11.40 **Methoxyflurane**

Nuj Tantisirin (Thailand)

12.00 **Ketamine**

Nuanprae Kitisin (Thailand)

12.20 **Q&A**

11.00-12.30

Hall 4

Medtronic (Sponsor Session)

Moderator

Speaker Dr Basil Matta

11.00-12.30

Hall 5

Anesthesia in Disasters and Conflict Zones

Moderator Roan Jocson (Philippines)

Andi Ade WR Fauzi (Indonesia)

11.00 **Mass casualty, disaster preparedness**

Rajen Nathwani (USA)

11.20	Damage control surgery & anesthesia synergy: Surgical and critical care perspectives Pusit Fuengfoo (Thailand)
11.40	Damage control surgery & anesthesia synergy: Anesthesiologist perspective Teerawat Poojinya (Thailand)
12.00	An anesthesiologist's real-life Experience During an Earthquake Nalin Chokengarmwong (Thailand)
12.20	Q&A
11.00-12.30	
Hall 6	
Gender-Affirming Surgery and Perioperative Care	
Moderator	Prok Laosuwan (Thailand) Tossapol Homthain (Thailand)
11.00	Preoperative Considerations for Gender-Affirming Surgery Sira Korpaisan
11.25	Gender-Affirming Surgery • Overview of current surgical procedures • Anesthetic considerations Poonpissamai Suwajo To be announced
11.50	Voice Feminization Procedures and Postoperative Care • Surgical insights • Anesthetic challenges during and after surgery Premsuda Sombuntham Wipada Tingthanathikul
12.15	Q&A
13.30-15.00	

Plenary 1**Spotlight Lecture****Moderator** Wayne Morriss (NZ)13.30 **Burns and burn physiology pharmacology**

Chales Cote (USA)

13.55 **Pediatric Liver Transplantation**

Liqun Yang (China)

14.20 **To be announced**14.45 **Q&A****13.30-15.00****Plenary 2****Fireside Talk****Moderator** Varinee Lekprasert (Thailand)

Vinodini Wanigasekera (Sri Lanka)

11.00 **Does bias exist in our medical management?**

Elizabeth A.M. Frost (USA)

11.20 **Sufficient perioperative pain management**

Benno von Bormann (Germany)

11.40 **Patient safety in the AI era**

Vinodini Wanigasekera (Sri Lanka)

12.00 **Education: Reimagining Anesthesia Training for the Next Generation**

Kasana Raksamani (Thailand)

12.20 Q&A

13.30-15.00

Hall 3

Updates & Issues

Moderator Traichit Chanthasiri (Laos)
Wardina Shumaimah Dato Paduka Buntar (Brunai)

11.00 **Update in vasoactive and inotropic drug**
Traichit Chanthasiri (Laos)

11.20 **Perioperative myocardial injury and infarction**
Wardina Shumaimah Dato Paduka Buntar (Brunai)

11.40 **Parasternal block in cardiothoracic surgery**
Napanont Kiatmongkolkul (Thailand)

12.00 **To be announced**

12.20 **Q&A**

13.30-15.00 (Thai Session)

Hall 3-4

Perioperative Medicine

Moderator Suneerat Kongsayreepong (Thailand)
Sunthiti Morakul (Thailand)

11.00 **Perioperative pulmonary aspiration & ARDS**
Sunthiti Morakul (Thailand)

11.25 **Perioperative hemodynamic resuscitation & advanced resuscitation**

Thassayu Yuyen (Thailand)

11.50

ICU sedation: An update

Panchika Luetrakul (Thailand)

12.15

Q&A

13.30-15.00 (Thai Session)

Hall 5-6

Practical Points in Anesthesia

Moderator

Aphichat Suphathamwit (Thailand)

13.30

Transplant Anesthesia

Aphichat Suphathamwit (Thailand)

13.55

Pediatric Anesthesia

Duenpen Horatanaruang (Thailand)

14.20

Thoracic Anesthesia

Chompunoot Pathonsamit (Thailand)

14.45

Q&A

13.30-15.00

Room 7

Asian Airway Network Session

Moderator

Wipada Tingthanathikul (Thailand)

To be announced

13.30

**Airway training, Airway leads and the formation of the ASEAN
Airway Network**

Wipada Tingthanathikul (Thailand)

13.50	Current trends in advanced airway management training and airway leadership across ASEAN Deborah Khoo (Singapore) Ina Ismiarti Shariffuddin (Malaysia) Roan Jocson (Philippines) Oraluxna Rodanan (Thailand) Andi Ade WR Fauzi (ID)
14.50	Q&A, Discussion
